The main video frame shows a medical professional in a white uniform attending to a patient lying in a hospital bed. The patient is covered with a blue and white striped blanket. In the background, there are informational posters on the wall, one of which is about handwashing. The video player has a sidebar on the right showing five participants in video feeds:

- Khoirul Latifin
- Efrila Delima Shinta
- HETI LUSPINA
- Peny Ristika

At the bottom of the video player, there is a control bar with play/pause, volume, and other media controls.

The image shows a video conference interface with a participant list on the right. The main focus is a medical device, likely a syringe pump, displayed on the screen share. The device has an orange and white design with a digital display and a keypad. The digital display shows the following information:

KOVA	50mL
0.0	ml/min
0.0	ml
00.00	ml/min

The keypad includes buttons for FLOW RATE, DEL. VOL., TOTAL VOL., SEL, ESC, MENU, START, STOP, and various directional and function keys.

Participants listed in the video conference:

- Maya Selviana
- Eka Yulia Fitri
- Adhawiyah aziza
- Izzah Khoirunis
- Dian Mayasari
- Ria\_PSIK UNSP

Navigation icons at the bottom left include back, forward, and search symbols.

A screenshot of a video conference interface, likely Zoom, showing a grid of participant feeds. The participants are mostly young adults, some wearing headscarves. The feeds are arranged in a grid, with some feeds being larger than others. The names of the participants are visible next to their respective feeds. The background of the video conference screen is black.
